

Keith Primary School Nursery Bulletin

2nd October 2017

Open Evening This will take place on Wednesday evening, 4th October, from 4p.m – 6.30pm. It is open to parents, family and friends and is the opportunity to see the nursery and classes and meet the teachers. It is also an opportunity for you to look at your child's portfolio. There will not be an opportunity for an in-depth discussion on children's progress, on this occasion. We look forward to seeing you there.

Photographs Orders should be returned by **tomorrow 3rd October** Instructions for payments etc. are on the order form.

Keith Library visits We are due to visit the library tomorrow **Tuesday 3rd October**. However, we are still looking for volunteers to walk the children to and from the library as follows - 4 for the morning and 3 for the afternoon group. This event will be cancelled should we not get parents to help. A sign-up sheet for parent helpers with timings can be found in the cloakroom. Thank you

Assembly This will be on Friday afternoon, this week at 1.30pm. Returners will be attending. As always, all are most welcome.

Snack Thank you all for your payments this term. Next term's fees for 5 sessions will be £17.20 and 4sessions £14.00. This week it is **snack menu 3**.

Harvest We continue to harvest vegetables in the garden and have been weighing them using different scales.

We have also been busy grinding up the grain using the pestle and mortar to make flour. The children asked if they could use the flour to make cakes. We also used it to make playdough.

Tesco Our visits to Tesco continue. The children who are snack helpers have also been learning how we order snack online.

They use a visual shopping list and find the pictures on the Tesco website.

Birthdays We have started to celebrate birthdays. Through this experience children are

“ ... becoming aware of the importance of celebrations, festivals and customs in Christian people's lives.” RME 0 - 030

We use a model of a cake and children are given the choice of which decorations they put on their cake, candles are then added and lit. The child can then wear the “birthday hat” if they wish. The group then sing Happy Birthday!

We hope you all have an enjoyable October break!

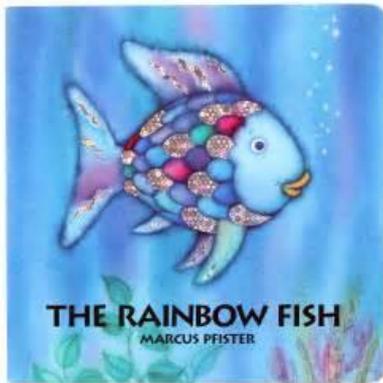

Nursery and school restarts on **Monday 23rd October**.

What have we been learning?

We have been learning to match and name colours.

The children are provided with a variety of learning experiences to develop this and have had lots of fun.

We have enjoyed reading the stories of Elmer and The Rainbow Fish which have acted as great stimulation for discussion about colour. The children have been practising their cutting to create their own Elmers and Rainbow Fish.
